EDUCATIONAL FURNITURE

Carefully thought out and
inspirationally designed classroom
furniture, will give every child the
best possible opportunity to develop
and cultivate their individual skills.....

10 year guarantee

Our Educational Furniture Brochure, provides you with some ideas and illustrations of what can be achieved in making your ideal school or college environment.

From a simple classroom table to one of the contemporary fitted teacher walls, we manufacture all furniture solutions to the highest level of design detail and to the quality assurance standard ISO9001.

Our manufacturing ability is unrivalled when it comes to Bespoke items, that are required for specific applications. Virtually all our product ranges can be individually tailored to suit a clients needs.

Superior furniture manufactured by our in-house team in the UK

Our factory near Chichester, West Sussex, meets environmental requirements according to the secretary of State's Guidance PG6/23 (Coating of Metal and Plastic) and PG6/2 (Manufacture of Timber and Wood Based Products), as defined in the Environmental Protection Act 1990, Part One. Our suppliers of timber have successfully gained PEFC chain of custody certification.

Finishes

European Standard for furniture in schools.

DEEP

EXTRA DEEP

JUMBO

In line with our supplier furniture policy of product improvement and rationalisation, the company reserves the right to change specifications without prior notice. Whilst every effort has been made to publish true and accurate information, we cannot be held responsible for any errors contained therein.

Classroom Tables

Our range of classroom tables are specifically designed for the educational market to meet the demanding use of the school environment.

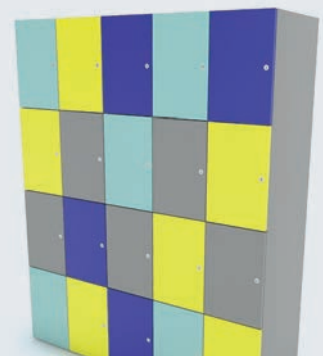

Classroom Storage

All our combination tray units are modular and mobile. Modular static units are also available, along with locker and bag storage units.

Teaching Walls

The ultimate storage system for schools. Dramatic yet simple upgrade for every classroom. Saves space - fitted to suit your room.

Food Technology/Wet Areas

You can use our modular benching and sink systems, under bench storage units or island modules, to create your own individual solution.

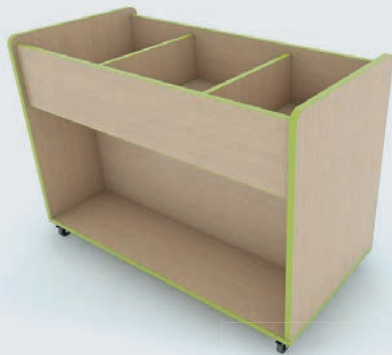

Laboratory Furniture

Whether it's fixed perimeter units and jetty style sink units, or fixed service bollards with clusters of workbenches, creating your laboratory has endless permutations.

Learning resource

From big books you want to display to little books you just need a compartment for, we've a handy unit to suit.

Offices

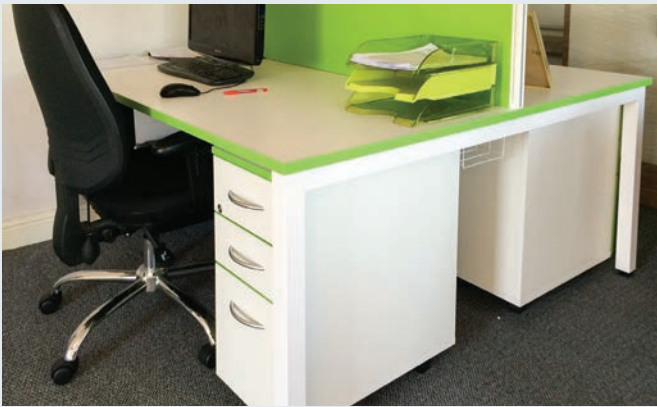

Efficient and welcoming offices for teaching staff, school caretakers and visiting services are all as important as teaching environments.

Bespoke Furniture

Our bespoke manufacturing capabilities are second to none, and enable us to truly emulate your chosen designs in the classroom, office, changing room and reception areas.
