

Are you sitting comfortably?

The Book

2021 Specification guide

QUILLS GROUP
OFFICE INTERIORS

Why choose Summit?

- ✓ Firstly, we've over 45 years' experience as the CHAIR EXPERTS, we know about seating.
- ✓ Our commitment to CUSTOMER SERVICE will impress you.
- ✓ Our QUALITY will make your customers happy.
- ✓ We handcraft all our chairs in the UK.
- ✓ We consider the environment in everything we do, from design, manufacture, and delivery.
- ✓ We DELIVER on time.

A little note.

Tom Simpson founded Summit Chairs in 1977 designing high quality chairs for the education, healthcare and office environment. Tom's son, David, joined the business at 18 years old, and today is the current CEO and our very own Chair Architect.

In 2012 we moved our chair family to a new 45,000 sq ft premises in Wiltshire where today, every single chair is designed and lovingly handcrafted. Fast forward to 2021 – we've endured one of the toughest periods in recent history with a year of pandemic turmoil. We are very proud of how our dedicated team have shown outstanding commitment, keeping us manufacturing & delivering throughout. We are grateful to our supportive network of dealer partners who have worked with us, helping each other to not only get through, but to grow.

We believe in building strong, long lasting relationships with our partners. The past year has shown how these relationships have stood the test. We're constantly evolving, with our research and development teams pushing design boundaries to really understand your business & deliver products to best support you.

Confident 2021 will be a prosperous year for British manufacturing, we promise to deliver on our commitment to design, quality, and customer service.

A handwritten signature in black ink that reads 'David Simpson'.

David Simpson
CEO

1. Task and Visitor Chairs

Our range of ergonomic task chairs for the workspace

Tangent

Support where you need it most

Achieve the right level of support with a chair designed with the body in mind.

Tangent brings you supremely comfortable operator chairs with distinctive styling and deep seat cushions, so they don't just look great scattered around an open plan office, they feel great too. Featuring ratchet back height adjustment, a choice of Operator or Operator Plus mechanisms and options including seat sliders, inflatable lumbar supports and folding arms, Tangent is ready to help you find comfort during a long day at your desk.

NOTES

- The standard frame colour for Tangent visitor chairs is Black.
- As an Environmentally friendly alternative to Chrome Plate we offer a Bright Chrome Epoxy finish.
- We also offer a selection of other frame colour options. See page 238.
- There is a minimum order quantity of 5 Tangent visitor chairs in Bright Chrome Epoxy or other frame colour options. An order for less than 5 incurs an additional £20 set up cost.

FEATURES

- Choice of 2 mechanisms - Operator or Operator Plus.
- Large, deep cushioned seats & backs.
- Ratchet back height adjustment.

Ergonomic expertise. 24/7

Ergonomic Task 24 may look like a classic office chair, but it certainly packs a punch when it comes to functionality. With seat and back angle adjustment thanks to our innovative Operator Plus mechanisms, seat sliders and inflatable lumbar support to help you get everything aligned, as well as extra-large seats and backs, adjustable head rests and arm pads for additional comfort. These are guaranteed to last the distance, structurally proven as they are for 5 years of constant use.

NOTES

- We require minimum order of 2 chairs in any one leather colour from Category 7 fabric band.

FEATURES

- Operator Plus mechanism with tension control.
- Seat slider.
- Inflatable lumbar support.
- Choice of 2 back styles.
- Ratchet back height adjustment.
- Structurally guaranteed for 5 years whilst in 24 hour / 7 day use.
- Tested to BS5459, level S.
- Optional coccyx cut out, approximately 90mm wide x 130mm from back edge of seat.

A great chair made better

Take the heat off with Tiverton Lite, our best-selling Tiverton range made just that little bit cooler.

It's the cooling smarts of a high tenacity mesh back with the versatility and astounding choice of our popular Tiverton range. With a choice of three mechanism ranging from a tilting back rest, to synchronised seat and back movement, to one-touch height adjustment and an upholstered lumbar pad. You'll also be asked to choose between three styles of arms, optional seat sliders and aluminium bases. We've thought of everything with Tiverton Lite.

NOTES

- We require minimum order of 6 chairs in any one leather colour from Category 7 fabric band.

FEATURES

- Breathable, black mesh back with upholstered lumbar pad.
- Easy to use, ratchet back height adjustment.
- Choice of 3 mechanisms - Operator, Operator Plus or Operator Synchro.
- Optional height & tilt adjustable headrest.
- Backs upholstered in high tenacity, polyester mesh available in 7 colours: black, blue, green, grey, orange, red and white.

Unmatched for value and style

Exceed expectations with deep comfort and cool good looks.

Cool backs and deeply comfortable seat pads elevate Lite to the league of the big boys when it comes to office chairs. And with Operator Synchro mechanism for great functionality, height adjustable lumbar pads, and a choice of 7 vibrant, mesh colourways, it's not hard to see why. You can even add matching visitor chairs to finish the look.

NOTES

- We require minimum order of 4 chairs in any one leather colour from Category 7 fabric band.
- The standard frame colour for Lite visitor chairs is Black.
- As an Environmentally friendly alternative to Chrome Plate we offer a Bright Chrome Epoxy finish.
- We also offer a selection of other frame colour options. See page 238.
- There is a minimum order quantity of 5 Lite visitor chairs in Bright Chrome Epoxy or other frame colour options. An order for less than 5 incurs an additional £20 set up cost.

FEATURES

- Operator Synchro mechanism with side tension control.
- Easy to use, retractable, rotary controls & anti-kick safety feature.
- Height adjustable lumbar support.
- Backs upholstered in high tenacity, polyester mesh available in 7 colours: black, blue, green, grey, orange, red, white.

Stay cool

Enjoy all-day comfort with an adjustable task chair that's designed to keep you cool.

E-Lite is a task chair with a cool difference. Designed for comfort thanks to the ergonomic high tenacity mesh back, you'll notice the temperature drop as the air circulates around your back. Combine that with a choice of Operator or Operator Plus mechanisms and it's a recipe for ultimate all-day comfort. What's more we've embraced the trend for creating bright spaces, with seven vibrant mesh colour options too.

NOTES

- The standard frame colour for E-Lite visitor chairs is Black.
- As an Environmentally friendly alternative to Chrome Plate we offer a Bright Chrome Epoxy finish.
- We also offer a selection of other frame colour options. See page 238.
- There is a minimum order quantity of 5 E-Lite visitor chairs in Bright Chrome Epoxy or other frame colour options. An order for less than 5 incurs an additional £20 set up cost.

FEATURES

- Choice of 2 mechanisms - Operator or Operator Plus.
- Large, deep cushioned seats.
- Backs upholstered in high tenacity, polyester mesh available in 7 colours: black, blue, green, grey, orange, red, white.

Oval office style

Opt for oval backs and deep cushioned seats for supreme work-day support.

This classic task chair range offers plenty of ergonomic options with a choice of two adjustment mechanisms, seat sliders, inflatable lumbar supports and different styles of arms. You can also choose from standard black or aluminium bases and a rainbow of material colours. And as with many of our operator chairs, SC506 features coordinating cantilever visitor chairs.

NOTES

- The standard frame colour for SC506 visitor chairs is Black.
- As an Environmentally friendly alternative to Chrome Plate we offer a Bright Chrome Epoxy finish.
- We also offer a selection of other frame colour options. See page 238.
- There is a minimum order quantity of 5 SC506 visitor chairs in Bright Chrome Epoxy or other frame colour options. An order for less than 5 incurs an additional £20 set up cost.

FEATURES

- Choice of 2 mechanisms - Operator or Operator Plus.
- Large, deep cushioned seats & backs.

Designed with the user in mind

Up the ante on office ergonomics with a task chair that has a supportive teardrop-shaped back rest.

Similar to SC506, the shape of the back rest is the main point of difference. And this pleasing teardrop shape has proved to be extremely popular. Superb in terms of both durability and functionality, SC506/22 will fit perfectly into any office environment. With two adjustment mechanism choices, two types of arms and the option to add aluminium bases, seat sliders, folding arms and inflatable lumbar supports, you can be confident this one will be suitable for everyone.

NOTES

- The standard frame colour for SC506/22 visitor chairs is Black.
- As an Environmentally friendly alternative to Chrome Plate we offer a Bright Chrome Epoxy finish.
- We also offer a selection of other frame colour options. See page 238.
- There is a minimum order quantity of 5 SC506/22 visitor chairs in Bright Chrome Epoxy or other frame colour options. An order for less than 5 incurs an additional £20 set up cost.

FEATURES

- Choice of 2 mechanisms - Operator or Operator Plus.
- Large, deep cushioned seats & backs.

A heavy-duty operator

Benefit from a heavy-duty Operator Plus mechanism for individualised seat adjustment.

You'll find plenty of ergonomic features wrapped up in this classic task chair.

The Ergonomic Operator brings you Operator Plus mechanisms with adjustable tension control for the dual benefits of superior, free float ride quality and the facility to independently set the seat and back angle.

You can even choose between bases, seat sliders, folding arms and inflatable lumbar supports for further customisation.

NOTES

- The standard frame colour for Ergonomic Operator visitor chairs is Black.
- As an Environmentally friendly alternative to Chrome Plate we offer a Bright Chrome Epoxy finish.
- We also offer a selection of other frame colour options. See page 238.
- There is a minimum order quantity of 5 Ergonomic Operator visitor chairs in Bright Chrome Epoxy or other frame colour options. An order for less than 5 incurs an additional £20 set up cost.

FEATURES

- Operator Plus mechanism with tension control.
- Large, deep cushioned seats & backs.
- Ratchet back height adjustment.

Smooth operator

Go classic in the office with an Operator task chair that offers plenty of choice.

Adjustable to suit anyone in this office, Operator has all bases covered with two back styles, two types of arms and a choice of mechanisms designed with the user in mind. The range also features complementary visitor chairs with epoxy coated or chrome frames helping you to achieve a consistent look throughout your space. And if that wasn't enough, there are draughtsman's chairs available, as well as a choice of aluminium bases, seat sliders, folding arms and inflatable lumbar supports.

NOTES

- The standard frame colour for Operator range visitor chairs is Black.
- As an Environmentally friendly alternative to Chrome Plate we offer a Bright Chrome Epoxy finish.
- We also offer a selection of other frame colour options. See page 238.
- There is a minimum order quantity of 5 Ergonomic Operator visitor chairs in Bright Chrome Epoxy or other frame colour options. An order for less than 5 incurs an additional £20 set up cost.

FEATURES

- Choice of 2 mechanisms - Operator or Operator Plus.
- 2 back sizes available.

The science behind hard-wearing seating

Equip your production, education and laboratory environments with hard-wearing, hard-working seating.

Perfect for sterile environments, our industrial range features heavy duty PU seats and backs or round upholstered stools.

All designed for easy cleaning and sanitisation. What's more, we've equipped all chairs with an Operator mechanism, stable five-legged spider base and grip to aid transition between workstations. As well as height adjustable footrests for additional comfort.

FEATURES

- Heavy duty P.U. seats & backs or upholstered stools.
- Chairs with back utilise our Operator mechanism.

Ergonomic luxury

Show you mean business with Essence - luxurious executive task chair on the outside, powerhouse of ergonomic functions on the inside.

With dramatic angles and deeply contoured foam, Essence offers classic elegance for boardrooms and executive offices. But style does not negate substance. This powerful range provides optimum seat adjustment thanks to its smooth synchronised mechanism and an inflatable lumbar for supreme support.

NOTES

- The standard frame colour for Essence visitor chairs is Black.
- As an Environmentally friendly alternative to Chrome Plate we offer a Bright Chrome Epoxy finish.
- We also offer a selection of other frame colour options. See page 238.
- There is a minimum order quantity of 5 Essence visitor chairs in Bright Chrome Epoxy or other frame colour options. An order for less than 5 incurs an additional £20 set up cost.

FEATURES

- Deep, sumptuous upholstery for luxuriant comfort.
- Easy Step tension adjustment.
- Width and height adjustable arms.
- 80mm of seat depth adjustment.
- Inflatable lumbar.
- Easy Lift back height adjustment.

On the day. Not the body

Create an impact in the office with a premium task chair that's stylish and beautifully finished.

With a multitude of ergonomic features as standard and a choice of adjustment mechanisms for easy set-up, you'll spend the day at your desk in comfort. And thanks to coordinating cantilever visitor and meeting chairs you can achieve consistency throughout your workspace.

NOTES

- We require minimum order of 2 chairs in any one leather colour from Category 7 fabric band.
- The standard frame colour for Impact visitor chairs is Black.
- As an Environmentally friendly alternative to Chrome Plate we offer a Bright Chrome Epoxy finish.
- We also offer a selection of other frame colour options. See page 238.
- There is a minimum order quantity of 5 Impact visitor chairs in Bright Chrome Epoxy or other frame colour options. An order for less than 5 incurs an additional £20 set up cost.

FEATURES

- Multi adjustable headrest.
- Easy Step, tension adjustment.
- Deep cushioned seat.
- Extra long, 100mm of seat depth adjustment.
- Inflatable lumbar.
- Easy Lift, back height adjustment.
- Width and height adjustable arms.
- Optional coccyx cut out, approximately 90mm wide x 130mm from back edge of seat.

Form and function in perfect harmony

Choose an elegant task chair that allows fluid, yet supportive movement.

Robust but surprisingly light to move around, Exquisit boasts a graceful swan-curved back that'll support you exactly where you need it. And with rotary button adjustment functionality you'll find it quick and simple to fine tune this chair to suit your preferences. Mix it up with adjustable arms, head rests and cantilever styles to provide the perfect chair for any office eventuality.

NOTES

- We require minimum order of 2 chairs in any one leather colour from Category 7 fabric band.
- The standard frame colour for Exquisit visitor chairs is Black.
- As an Environmentally friendly alternative to Chrome Plate we offer a Bright Chrome Epoxy finish.
- We also offer a selection of other frame colour options. See page 238.
- There is a minimum order quantity of 5 Exquisit visitor chairs in Bright Chrome Epoxy or other frame colour options. An order for less than 5 incurs an additional £20 set up cost.

FEATURES

- Multi adjustable headrest.
- Deep cushioned seat.
- Elegant, slim line back.
- Seat depth adjustment.
- Inflatable lumbar.
- Easy Lift, back height adjustment.
- Operator Synchro mechanism.
- Side tension adjuster.

3D ergonomics

Set yourself up for a great day at the office with a task chair that responds to your posture and movement.

With its flexible, shaped polypropylene back, Mono does just that. Simply push a button and the self-tensioning, body-balance synchro mechanism will allow you to choose from five tilt positions. Or if you prefer, choose a dynamic free float that responds naturally to the movements of your body throughout the day. And with a breathable back, anti-shock features and ratchet, lumbar height adjustment as standard this chair really does do everything your body needs it to.

NOTES

- We require minimum order of 5 Mono with unupholstered backs or 3 Mono with upholstered backs in any one leather colour from Category 7 fabric band.
- The standard frame colour for white backed Mono visitor chairs is white.
- The standard frame colour for black backed Mono visitor chairs is black.
- As an Environmentally friendly alternative to Chrome Plate we offer a Bright Chrome Epoxy finish.
- We also offer a selection of other frame colour options. See page 238.

- There is a minimum order quantity of 5 Mono visitor chairs in Bright Chrome Epoxy or other frame colour options. An order for less than 5 incurs an additional £20 set up cost.

FEATURES

- Flexible upper back.
- Body Balance mechanism for 'dynamic sitting'.
- Push button mechanism control.
- Seat depth adjustment.
- Width and height adjustable arms.
- Easy Lift, back height adjustment.
- Upholstered back option.

Classic style for your workplace

Introduce a stylish update to your office seating arrangements.

Made to suit even the pickiest sitter, this is a task chair that has been designed with long-term comfort in mind. The precisely tensioned back mesh will keep you cool and dry all day long, while the inbuilt lumbar support and body balance synchro mechanism will ensure each member of your team can set up their chair precisely to suit them. It's a one-size-fits-all office chair.

NOTES

- We require a minimum order of 4 chairs in any one leather colour from Category 7 fabric band.
- The standard frame colour for Ovair visitor chairs is black
- As an Environmentally friendly alternative to Chrome Plate we offer a Bright Chrome Epoxy finish.
- We also offer a selection of other frame colour options. See page 238.
- There is a minimum order quantity of 5 Ovair visitor chairs in Bright Chrome Epoxy or other frame colour options. An order for less than 5 incurs an additional £20 set up cost.

FEATURES

- Cool, flexible mesh back.
- Body Balance mechanism for 'dynamic sitting'.
- Push button mechanism control.
- Height adjustable lumbar pad.

Taking care of back-care

Give your staff the gift of long-term spinal health when you choose Posturemax.

Offering exceptional comfort that must be experienced to be believed, this hardworking task chair incorporates unique body-supporting technology and optimum adjustability. Both of which work to reduce the likelihood of back problems associated with long periods spent sitting down. Not only that, it's upholstered with heat reactive memory foam that will mould specifically to cradle your body for additional back health benefits.

NOTES

- We require minimum order of 2 Posturemax in any one leather colour from Category 7 fabric band.

FEATURES

- Memory foam seat and back.
- Multi adjustable headrest.
- Synchronised mechanism plus independent back angle adjustment.
- Seat depth adjustment.
- Inflatable lumbar.
- Easy Lift, back height adjustment.
- Side tension adjuster.
- Width and height adjustable arms.
- Guaranteed for 24 hour per day use.
- Optional coccyx cut out, approximately 90mm wide x 130mm from back edge of seat.

Posturemax 200

A pillar of strength

The Posturemax 200 chair has evolved to meet the growing demand for exceptional back care seating designed specifically for heavier people.

Benefiting from all the features of the original, ground breaking Posturemax, the 200 version has been re-engineered and tested for intensive use by people weighing up to 200kg and is guaranteed for 5 years whilst in 24 hour use.

NOTES

- We require minimum order of 2 Posturemax 200 in any one leather colour from Category 7 fabric band.

FEATURES

- Tested to BS5459 for users up to 200kg.
- Heat reactive, memory foam in seat & back.
- Seat slider.
- Inflatable lumbar support.
- Synchro Plus mechanism with side tension adjustment and anti-kick safety feature.
- Easy to use ratchet back height adjustment.
- Width & height adjustable arms with ergonomically shaped, soft polyurethane pads.
- Multi-adjustable headrest on model PHL83 and PHL83ADJ.
- Optional coccyx cut out, approximately 90mm wide x 130mm from back edge of seat.

Posturemax Cool

Comfortably cool all day

Combine the engineering smarts of Posturemax with the breathability of a mesh back.

Thanks to its unique body supporting technology, seat slider for optimum adjustability, and synchronised mechanism with independent back angle adjustment, Posturemax Cool works hard to guard against the back problems and stiffness that can inevitably develop when you spend hours on end sitting at a desk.

With a 5 year structural guarantee proving its safety, strength and stability when in use for 24 hours per day, you can be sure this one will stand the test of time.

NOTES

- We require minimum order of 4 Posturemax Cool in any one leather colour from Category 7 fabric band.

FEATURES

- Cool, flexible mesh back.
- Memory foam seat.
- Synchronised mechanism plus independent back angle adjustment.
- Seat depth adjustment.
- Multi adjustable headrest.

Engineered for active sitting

Reduce the impact of sedentary office activities with Sensit.

Designed to offer the perfect support whatever your physique, this groundbreaking task chair uses our patented AirBridge technology to deliver variable support for your spine. As you move gently during the course of your work, air cushions help to stimulate your muscles, while the self-tensioning body-balance mechanism provides an optimum 2:1 recline ratio encouraging frequent posture changes throughout the day.

Put simply, Sensit offers you a healthier way to sit.

NOTES

- We require minimum order of 2 chairs in any one leather colour from Category 7 fabric band.
- The standard frame colour for Sensit visitor chairs is black
- We also offer a selection of other frame colour options. See page 238.
- There is a minimum order quantity of 5 Sensit visitor chairs in Bright Chrome Epoxy or other frame colour options. An order for less than 5 incurs an additional £20 set up cost.

FEATURES

- Multi adjustable headrest.
- Body Balance mechanism for 'dynamic sitting'.
- 'Air Care' seat for 'dynamic sitting'.
- Deep cushioned seat.
- Inflatable lumbar.
- Button release, height adjustable back.
- Width and height adjustable arms.
- Optional coccyx cut out, approximately 90mm wide x 130mm from back edge of seat.

Sensit-Lite

Supporting well-being at work

Enjoy the benefits of our Sensit AirBridge technology combined with a cool, breathable mesh back.

Developed to reduce the impact of prolonged sitting, dual air cells in this health-conscious task chair engage core muscles and actively encourage movement. Throw in a self-tensioning body-balance mechanism that offers the right amount of resistance for your size and you'll have everything you need to combat the stiffness and pain associated with sedentary office-based work. Sit healthier with Sensit-Lite.

NOTES

- We require minimum order of 4 chairs in any one leather colour from Category 7 fabric band.
- The standard frame colour for Sensit-Lite range visitor chairs is Black.
- As an Environmentally friendly alternative to Chrome Plate we offer a Bright Chrome Epoxy finish.
- We also offer a selection of other frame colour options. See page 238.
- There is a minimum order quantity of 5 Sensit-Lite visitor chairs in Bright Chrome Epoxy or other frame colour options. An order for less than 5 incurs an additional £20 set up cost.

FEATURES

- Body Balance mechanism for dynamic sitting.
- 'Air Care' seat for dynamic sitting.
- Deep cushioned seat
- Height adjustable, soft lumbar pad.
- Width and height adjustable arms.
- Backs upholstered in high tenacity, polyester mesh available in 7 colours: black, blue, green, grey, orange, red, white.

An executive decision made easy

Experience the Inflexion executive and you'll quickly understand why it's our best-selling task chair.

Elegantly designed as it may be, this one is built for all-day comfort. Combining a smartly sculptured back rest with inflatable lumbar, a generous seat and your choice of adjustment mechanism, this is a chair of exceptional style and comfort.

NOTES

- We require minimum order of 2 chairs in any one colour from Category 7 fabric band.
- The standard frame colour for Inflexion visitor chairs is Black.
- As an Environmentally friendly alternative to Chrome Plate we offer a Bright Chrome Epoxy finish.
- We also offer a selection of other frame colour options. See page 238.
- There is a minimum order quantity of 5 Inflexion visitor chairs in Bright Chrome Epoxy or other frame colour options. An order for less than 5 incurs an additional £20 set up cost.

FEATURES

- Deeply contoured back for added support.
- Large, deep cushioned seat.
- 2 Mechanism choices.
- Raised rear seat edge for lower back support.
- Inflatable lumbar.
- Easy Lift, back height adjustment.
- Optional coccyx cut out, approximately 90mm wide x 130mm from back edge of seat.

Tangent X

Classic proportions. Comfortable positions

Set your seat to suit with Tangent X.

With Tangent X, it's all about having the tools to create the perfect chair for you. Operator Plus or Operator Synchro mechanisms allow you to tilt the seat and adjust the angle of the back. Or why not leave it unlocked to experience free float allowing the recline to change as you move?

This can encourage gentle movement, reducing stiffness and improving spinal health. Other options include aluminium bases, seat sliders, folding arms, inflatable lumbar supports and matching visitor chairs.

NOTES

- We require minimum order of 4 chairs in any one leather colour from Category 7 fabric band.
- The standard frame colour for Tangent X visitor chairs is Black.
- As an Environmentally friendly alternative to Chrome Plate we offer a Bright Chrome Epoxy finish.
- We also offer a selection of other frame colour options. See page 238.
- There is a minimum order quantity of 5 Tangent X visitor chairs in Bright Chrome Epoxy or other frame colour options. An order for less than 5 incurs an additional £20 set up cost.

FEATURES

- Anatomically curved back for comfort.
- 2 Mechanism choices.
- Deep cushioned seat.
- Easy Lift, back height adjustment.

99% recyclable. 100% comfortable

Up the CSR ante when you choose task seating from our Horizon range.

Offering the lowest environmental impact of any chair of equivalent quality and cost, a Horizon task chair uses up to 49% recycled material in its construction and is up to 99% recyclable post use. But this one isn't just for the environmentally conscious. With an inflatable lumbar, seat slider, flexible waterfall seat edge and flexible upper back section, Horizon sets new standards for the level of innovative ergonomic features in a key-price premium task chair. It's also BS5459 certified for strength and stability. Good to know.

NOTES

- We require minimum order of 2 chairs in any one colour from Category 7 fabric band.
- The standard frame colour for Horizon visitor chairs is Black.
- As an Environmentally friendly alternative to Chrome Plate we offer a Bright Chrome Epoxy finish.
- We also offer a selection of other frame colour options. See page 238.
- There is a minimum order quantity of 5 Horizon visitor chairs in Bright Chrome Epoxy or other frame colour options. An order for less than 5 incurs an additional £20 set up cost.

FEATURES

- Flexible upper back.
- Replaceable fabric for extended chair life.
- 2 Mechanism choices.
- 75mm seat depth adjustment.
- Inflatable lumbar.
- Easy Lift, back height adjustment.
- Flexible front seat edge.
- Side tension adjuster.
- Optional castors available.

Sculpt

A distinctive character in any office

For a mid-sized task chair that's as striking as it is supportive.

With its highly contoured, hexagonal-shaped back and seat, Sculpt is a geometric design-lovers dream, offering a different look to 'traditional' office seating. But that's not to say it doesn't do the business too. Fitted with Operator Synchro or Operator Plus mechanisms for easy ergonomic set-up, there are plenty of options to choose from. Prefer an aluminium base? Seat slider? Folding arms or inflatable lumbar support? Sculpt has you covered.

You can even celebrate your choice of design with matching visitor chairs from the range.

NOTES

- We require minimum order of 2 chairs in any one colour from Category 7 fabric band.
- The standard frame colour for Sculpt visitor chairs is Black.
- As an Environmentally friendly alternative to Chrome Plate we offer a Bright Chrome Epoxy finish.
- We also offer a selection of other frame colour options. See page 238.
- There is a minimum order quantity of 5 Sculpt visitor chairs in Bright Chrome Epoxy or other frame colour options. An order for less than 5 incurs an additional £20 set up cost.

FEATURES

- Deeply contoured back for added support.
- Raised rear seat edge for lower back support.
- 2 Mechanism choices.
- Easy Lift, back height adjustment.
- Optional multi adjustable headrest.

The beauty is in the choice

Versatility abounds when you discover our Tiverton range of task chairs.

Designed to fulfill all the seating requirements needed to create a modern office environment, you'll find comfortable desk chairs, inviting visitor chairs and meeting chairs that ensure no matter what's on the agenda, you'll at least be seated in comfort. Ergonomically designed with inflatable lumbar supports, a choice of three mechanisms, two back heights and swivel and static options.

The name Tiverton is synonymous with choice.

NOTES

- We require minimum order of 4 chairs in any one leather colour from Category 7 fabric band.
- The standard frame colour for Tiverton visitor chairs is Black.
- As an Environmentally friendly alternative to Chrome Plate we offer a Bright Chrome Epoxy finish.
- We also offer a selection of other frame colour options. See page 238.
- There is a minimum order quantity of 5 Tiverton visitor chairs in Bright Chrome Epoxy or other frame colour options. An order for less than 5 incurs an additional £20 set up cost.

FEATURES

- 3 Mechanism choices.
- 2 back height choices.
- Optional multi adjustable headrest.
- Inflatable lumbar.
- Easy Lift, back height adjustment.

A plethora of functional features as standard

Get great value for your money with the Blenheim - a task chair with a high number of standard features.

From inflatable lumbar to seat sliders to back and seat adjustments, the Blenheim promises comfort for all who sit in it. And with two adjustment mechanisms to choose from as well as three arm styles, your Blenheim will come ready to set up and settle down to a day's work in comfort. What's more it's proven to be stable and robust - all structural components are tested to BS5459. Blenheim will help you work smart all day long.

NOTES

- We require minimum order of 4 chairs in any one leather colour from Category 7 fabric band.
- The standard frame colour for Blenheim visitor chairs is Black.
- As an Environmentally friendly alternative to Chrome Plate we offer a Bright Chrome Epoxy finish.
- There is a minimum order quantity of 5 Blenheim visitor chairs in Bright Chrome Epoxy or other frame colour options. An order for less than 5 incurs an additional £20 set up cost.

FEATURES

- 2 Mechanism choices.
- Seat depth adjustment.
- Inflatable lumbar.
- Easy Lift, back height adjustment.

Soft Seating and Reception

Our suites of soft seating are designed to respond to the evolution in the way we work. Inspired by the style and comfort from domestic furniture - facilitating communication throughout the office space, delivering acoustic control and quiet collaboration zones. Infinitely configurable modular ranges allow you to create flexible meeting compartments with fingertip tech access. Statement pieces make a bold impression as reception furniture and inspire common areas.

COLLECTION DETAIL

Comfortable, flexible work zones

Upgrade your soft seating to create flexible, comfortable commercial workspaces.

Expectations are changing. As workers seek more flexibility and choice in how and where they work, providing inspiring and varied workspaces has been shown to improve productivity and employee engagement. With Lilo soft seating you can create domestic-inspired work zones with a sophisticated aesthetic, high levels of comfort and fantastic modular versatility.

You can even include tables and mounted screens for small presentation or news breaks.

NOTES

- The standard finish for Lilo, metal, seat and coffee table legs is chrome.
- We also offer Black plus a selection of other seat and coffee table leg, colour options. See page 238.
- The standard finish for Lilo booth table frames is Bright Chrome Epoxy.
- We also offer Black plus a selection of other table frame colour options. See page 238.
- There is a minimum order quantity of 5 Lilo with any leg or frame colour option other than black or bright chrome epoxy. An order for less than 5 incurs an additional £20 set up cost.
- If seats are ordered with optional underseat Power module this will be positioned below the front edge, on the left hand side, as seated, unless otherwise requested.

FEATURES

- Luxurious, modular sofa system.
- Solid beech and ply frame construction.
- Deep cushioned seats over elasticated webbing.
- Beech laminate coffee table tops.
- White laminate, booth table tops
- Contemporary, polished steel legs.
- Optional steel skid style leg.
- Optional, polished wooden base frame.
- Optional Power module 1 providing 13 amp socket and twin, USB, fast charge facility.
- Optional Power module 2 providing 13 amp socket and twin, USB, fast charge facility and retractable HDMI lead.

Space exploration made easy

Create soft seating areas with impact when you choose from Deco's tuxedo-style modular furniture. With one-seater, two-seater and three-seater sofas that mix and match to create an infinite number of designs, Deco will help you make the best use of the space you have available for your soft-seating area. And all with its distinctive contemporary style.

But let's not neglect to talk about comfort. These deep, luxuriously feather-filled cushions offer a wonderful welcome. And to make sure they stay looking their best for the long-term, we've hidden a robust foam core inside – because no-one wants to pay a cleaner to spend time plumping cushions!

Deco links seamlessly with the media units from our LILLO range and also co-ordinates perfectly with our LILLO coffee tables.

Get designing with Deco today.

NOTES

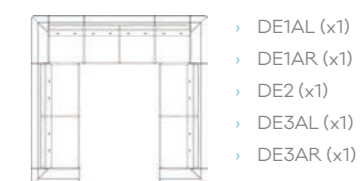

- DE7 in Category 7 only available if ordered together with Deco seating in same colour leather.
- The standard finish for Deco metal legs is chrome.
- We also offer Black plus a selection of other colour options. See page 238.
- There is a minimum order quantity of 5 Deco with any leg or frame colour option other than black. An order for less than 5 incurs an additional £20 set up cost.
- If seats are ordered with optional underseat Power module this will be positioned below the front edge, on the left hand side, as seated, unless otherwise requested.

FEATURES

- Large variety of linkable configurations.
- Contemporary, polished steel legs.
- Optional steel skid style leg.
- Optional, polished wooden base frame.
- Button detailing.
- Optional matching scatter cushions.
- Optional Power module 1 providing 13 amp socket and twin, USB, fast charge facility.

Piano

EXAMPLE CONFIGURATIONS

COLLECTION DETAIL

Numerous components; countless configurations

Answer those requests for better breakout spaces with modular soft seating from Piano.

Perfect for reception areas, relaxed meeting spaces or creatively constructed public areas, Piano is a versatile modular soft seating master. Built for comfort and durability, with solid beech wood frames and sprung seats, the many components in the range can be used to create an infinite number of configurations. What's more you can add in tables, Power modules, USB charging and any of the elements from the Grand Piano range for the ultimate in modular arrangements.

NOTES

- The standard finish for Piano legs and table frames is Bright Chrome Epoxy.
- We also offer Black plus a selection of other colour options. See page 238.
- There is a minimum order quantity of 5 Piano with any leg or frame colour other than black or bright chrome epoxy. An order for less than 5 incurs an additional £20 set up cost.
- If seats are ordered with optional power module this will be positioned on the lower left-hand side, front seat face, as seated, unless otherwise requested.

FEATURES

- Versatile modular seating system.
- Compatible with Grand Piano range.
- Solid beech frames.
- Extra strong steel legs in choice of styles - Standard, Floating or Skid.
- White laminate table tops.
- Deep cushioned seats over elasticated webbing.
- Linking and power module options.

Grand Piano

EXAMPLE CONFIGURATIONS

COLLECTION DETAIL

Inspiring spaces for work and play

Inject interest into your interiors with variable height spacescaping.

Grand Piano is a range of high backed, modular seating and table units that can be configured to suit any space thanks to the wide variety of pieces and the ability to mix and match with the Piano collection. From multiple sofa components, to media units, to back and arm extensions enabling space zoning and acoustic control. Grand Piano will allow you to create intimate private workspaces and productive group meeting areas that are flexible, practical and inspiring in equal measure.

NOTES

- The standard finish for Grand Piano, metal legs and table frames is Bright Chrome Epoxy.
- We also offer Black plus a selection of other colour options. See page 238.
- There is a minimum order quantity of 5 Grand Piano with any leg or frame colour other than black or bright chrome epoxy. An order for less than 5 incurs an additional £20 set up cost.
- If seats are ordered with optional Power module this will be positioned on the lower left-hand side, front seat face, as seated, unless otherwise requested.

FEATURES

- Versatile, high backed, modular seating system.
- Compatible with Piano range.
- Solid beech frames.
- Deep cushioned seats over elasticated webbing.
- White laminate table tops.
- Linking and Power module options.
- Extra strong steel legs in choice of styles - Standard, Floating or Skid.
- Optional polished wooden feet.
- Optional retractable coat hooks.

Choice abounds

Pick and mix the numerous elements of Deco-inspired MeMe to create standout style in your reception or breakout spaces.

This modular seating system, combining steel tube frames for strength with extra deep seat cushions for comfort, creates a relaxed, bright vibe when styled up with contrasting coloured seat and back cushions. Units range from sofas to benches, corner seats to circular and a beech or white topped table.

NOTES

- The standard finish for MeMe frames and table frames is Bright Chrome Epoxy.
- We also offer Black plus a selection of other colour options. See page 238.
- There is a minimum order quantity of 5 MeMe with any leg or frame colour option other than black or bright chrome epoxy. An order for less than 5 incurs an additional £20 set up cost.
- For positioning of links on MM8 we require a layout drawing.

FEATURES

- Versatile modular seating system.
- Deep seat foam.
- Tubular steel underframe with bright chrome epoxy finish.
- Welded steel linking.
- Arms available upholstered or in beech laminate.
- Standard white or optional beech laminate table top.
- Steel frames guaranteed for 15 years.

Villain

A Villain that means business

When you first sit in Villain, you'd be forgiven for thinking you've entered the set of a James Bond film. Of course, he's comfortable. But he's more than that. With this one you'll get an extra dose of confidence too. An exhilarating sense of drama even, to be enjoyed as you ruminate over evil plots or hatch cunning schemes.

Villain was born to celebrate our 40th year in business. We wanted to design something intriguingly different yet endearingly familiar all the same. It's a fun statement piece without compromise. A commanding addition to a high-level boardroom or sumptuous reception. Or perhaps even an invitation to get comfy in a hotel lounge.

World domination optional.

NOTES

- If you require Villain buttons in fabric other than that used for the seat, back or shell then there will be an additional charge. Please call our sales team for guidance.
- If you require Villain with dual colour upholstery from Category 7 then the price will have to be on application. Please call our sales team for guidance.
- The standard steel frame colour for Villain is Black.
- As an Environmentally friendly alternative to Chrome Plate we offer a Bright Chrome Epoxy finish.
- We also offer a selection of other frame colour options. See page 238.

- There is a minimum order quantity of 5 Villain with the steel frame in bright chrome epoxy or other non-standard colour option. An order for less than 5 incurs an additional £20 set up cost.

FEATURES

- Solid wood spider base.
- 4 star polished aluminium base.
- Rocking Tilt.
- Plush cushions.
- High or medium back heights.
- Contrasting button colours.

Home comforts

Provide a home from home in the workplace when you choose our Graphic sofas with comfortable sprung seats.

These are sofas that wouldn't be out of place in your lounge. From the two styles of back rest to the contrasting colours and cushions that are available in the range, our Graphic sofas offer the perfect place to wait, to meet or simply to relax. Constructed with solid beech frames for durability, sprung seats for comfort and polished chrome feet for a stylish touch. There's even a beautifully coordinated coffee table that can be free standing or used as a handy corner unit.

NOTES

- GP7 in Category 7 only available if ordered together with Graphic seating in same colour leather.
- The standard finish for Graphic metal legs is chrome.
- We also offer Black plus a selection of other colour options. See page 238.
- There is a minimum order quantity of 5 Graphic with legs in any colour other than black or chrome. An order for less than 5 incurs an additional £20 set up cost.
- If Graphic seating is ordered with optional Power module this will be positioned on the lower left-hand side, front seat face, as seated, unless otherwise requested.

FEATURES

- Solid beech wood frames.
- Sprung seats.
- Non removable, individually cushioned seats.
- One piece, cushioned back on GP1, GP2 & GP3.
- Non removable, individually cushioned backs on models GP11, GP12 and GP13.
- Standard white or optional beech laminate table top.

Striking soft seating

Create a great first impression with head-turning soft seating for your reception or waiting area.

Visitors will be bowled over by the angular aesthetic and bold lines of this soft seating range. Filled with personality and a good dose of 80s romance-inspired design, Fino boasts deep sprung seats and a compact footprint. You can rely on our Fino armchairs, sofas and pedestal chairs to come together to create a stunning, welcoming environment whether used to furnish a breakout area for staff or a reception area for visitors.

NOTES

- The standard colour for Fino underframe is Bright Chrome Epoxy. Black is a no cost option.
- We also offer a selection of other colour options. See page 238.
- There is a minimum order quantity of 5 Fino with steel under-frame in any colour other than black or bright chrome epoxy. An order for less than 5 incurs an additional £20 set up cost.

FEATURES

- Bright chrome epoxy coated underframes.
- Deep cushioned seats over elasticated webbing on FN11 & FN12.

Get it before word gets out

Emulate a number of prestigious venues when you choose Tumble for your waiting area or bar.

Compact yet striking, this outstanding range of visitor chairs is constructed around a robust polypropylene shell with a deep fibre topped seat cushion that can be upholstered in a contrasting fabric to the back. Further important style decisions include legs: choose from retro styled polished beech or oak, black wood legs or a contemporary, steel tube cantilever frame. And why not go brave with your material choice? After all, Tumble can take it.

NOTES

- We require minimum order of 3 chairs in any one leather colour from Category 7 fabric band.
- The standard finish on the Tumble, model T20 leg is polished Beech. Polished Oak or black finished legs are no cost options.
- The standard finish on the Tumble model T30, swivel base is chrome.
- The standard colour for Tumble T10 steel frames is Black.
- We also offer a selection of other T10 frame colour options. See page 238.
- There is a minimum order quantity of 5 Tumble T10 with steel frame in any colour other than black or chrome. An order for less than 5 incurs an additional £20 set up cost.

FEATURES

- Deep, fibre topped seat cushion.
- Choice of epoxy coated, tubular underframe, wooden legs or swivel base with gas height adjustment.
- Heavy duty, polypropylene inner shell.

Statement styling

Inject some personality into your waiting areas with a reception chair that screams 'sit in me'.

You might be mistaken for assuming that Ego is all about looks. And indeed, his striking features are very important to him. But they're not everything. Simple sleek styling gives way to deep comfort making this statement reception area chair a great choice to create a modern, inviting space. And of course, if looks are important to you too, you can configure Ego with various beautiful base options.

NOTES

- The standard finish on the Ego model EG60, wooden frame is Beech. Black is a no cost option
- The standard finish on the Ego model EG50, swivel spider base is chrome.
- The standard colour for Ego EG20 non swivelling spider base is Bright Chrome Epoxy. Black is a no cost option.
- We also offer a selection of other spider base colour options. See page 238.
- There is a minimum order quantity of 5 Ego EG20 with spider base in any colour other than black, bright chrome epoxy or chrome. An order for less than 5 incurs an additional £20 set up cost.

FEATURES

- Deep, fibre topped seat cushion.
- Choice of chrome, swivel underframe; fixed, epoxy coated spider base or polished beech legs.

Contoured for comfort

Welcome visitors with seating that's noticeably superior.

The three-dimensional curves of Core give it a comfortable nest-like quality. Perfect when you want to provide a relaxed meeting environment for clients and visitors. And with optional contrasting cushions and a number of base and swivel options, you can configure Core to fit naturally into your office environment.

NOTES

- The standard finish on the Core model CO60, wooden frame is Beech. Black is a no cost option.
- The finish on the Core model CO50, swivel spider base is chrome.
- The standard colour for Core CO30 & CO40 steel frame and CO20 non swivelling spider base is Bright Chrome Epoxy. Black is a no cost option.
- We also offer a selection of other frame and spider base colour options. See page 238.
- There is a minimum order quantity of 5 Core with steel 4 legged frame, skid frame, or spider base in any colour other than black, bright chrome epoxy or chrome. An order for less than 5 incurs an additional £20 set up cost.

FEATURES

- Bright chrome epoxy spider base and underframes.
- Chrome plated, spider swivel base.
- Beech underframes polished clear or black.

Simple design for a wonderful welcome

Create just the right feel in any...yep, you've guessed it... reception or waiting area, with Reception.

Reception is notable for the simplicity of its design. Enhanced by fine detailing and superb comfort, this range features solid beech frames for strength and durability. And should you wish to change the look and feel of this sofa from home-cosy to commercial-chic, the addition of polished chrome legs will do just that.

NOTE

- If Reception seating is ordered with optional Power module this will be positioned on the lower left-hand side, front seat face, as seated, unless otherwise requested.

FEATURES

- Deep, fibre-topped seat cushions for superior comfort.
- Polished beech legs.
- Exquisite stitching detail.

Wayvee by name, Wayvee by nature

Embrace Wayvee's distinctive organic shape and liberal proportions.

Your space is unique, it deserves seating that looks as appealing as it feels. And Wayvee provides just that, with its double curving back rest offering rest and relaxation for all who grace its beautiful seat. There's no getting away from it, this is a statement seating that sits beautifully alongside the complementary side tables. Style with coordinating colours, and bases and frames manufactured from chrome or solid wood, for great looking seating that will get everyone talking.

NOTES

- The standard finish on the Wayvee model WV60, wooden frame is Beech. Black is a no cost option.
- The finish on the Wayvee model WV20, swivel spider base is chrome.
- The standard colour for Wayvee steel frames is Bright Chrome Epoxy. Black is a no cost option.
- We offer a selection of other frame colour options. See page 238.
- There is a minimum order quantity of 5 Wayvee with steel 4 legged frame, skid frame, or spider base in any colour other than black, bright chrome epoxy or chrome. An order for less than 5 incurs an additional £20 set up cost.

FEATURES

- Double curvature back rest.
- Bright chrome epoxy spider base and underframes.
- Chrome plated, spider swivel base.
- Beech underframes polished clear or black.

Seat-to-space ratio. Sorted

Squeeze more seats into that compact waiting area with Tub – a small footprint with a surprisingly well-proportioned seat.

Elegant (more so than the name might suggest), comfortable and cossetting, Tub is a soft-seating range that's perfect for furnishing reception and break areas or creating a relaxed meeting environment. With robust one-seater and two-seater sofas it's easy to mix, match and choose contrasting colours to suit. You can even accessorise with little Skittles for added interest.

FEATURES

- Envious durability from robust wooden frame.
- Plastic floor glides to protect flooring.
- Fibre-topped seat cushion.

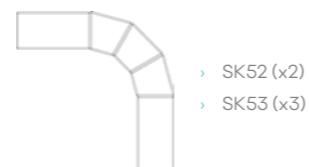

Personality filled pouffes and fabulous footstools

Scatter some Skittles through a break space or creative meeting room for fun, versatile seating that gets visitors talking.

Our Skittle range offers a wonderful assortment of upholstered, play brick shaped accessories that will provide a pop of inspiration in your office environment. Built for durability and as a fun, affordable alternative to static seating, pair with low tables for ad hoc group work, stay put with chrome legs or opt for Skittle with castors to make movement effortless.

EXAMPLE CONFIGURATIONS

NOTES

- It is possible to link the curved face of an SK55, SK56 or SK57 to the scalloped face of an SK56 or SK57.
- We require a drawing to indicate the required positioning of the links on each piece.

FEATURES

- Assorted, upholstered, play brick shaped stools.
- Deep upholstered pouffes with chrome steel legs.

Modular by design

Opt for simple lines and durable detailing for adaptable seating to fit any space.

With its solidly constructed frames and elasticised webbing, the Faringdon range of modular soft seating is comfortable, hard-wearing and eminently versatile. And with a selection of seats, including one arm, two arms, no arms or corner cubes as well as complementary coffee tables, you can configure Faringdon to perfectly accentuate any commercial space.

NOTES

- We require minimum order of 2 chairs in any one leather colour from Category 7 fabric band.

FEATURES

- Deep cushioned seats over elasticated webbing
- Solid board framework.
- Toughened, safety glass table tops.

Scout on over, you must see this!

Fall in love with our 98% recyclable Scout.

Lightweight, easy to move around, and offering countless configuration options, this relatively recent addition to our family is one of our most versatile yet. Whether you need one chair for your home bedroom-cum-office, or 103 to fill an entire conference hall, our little Scout will stylishly take its place. Built around a lightweight moulded polypropylene shell, Scout is designed for comfort, but can be left without cushions for easy cleaning in settings where good hygiene is essential.

NOTES

- We require minimum order of 10 Scout with upholstered seat only or 4 fully upholstered Scout in any one leather colour from Category 7 fabric band.
- When ordering Scout with un-upholstered shell please remember to state the colour of the plastic shell you require, Pastel Green, Pastel Blue or Grey.
- The standard base finish for SO70, SO80 & SO85 is polished aluminium.
- The standard finish for Scout steel skid frames is black.
- We also offer a selection of other base and frame colour options. See page 238.
- There is a minimum order of 5 Scout with any non-standard base or skid frame colour option.
- There is a minimum order quantity of 5 Scout with any non-standard base colour option.

FEATURES

- Strong, flexible polypropylene shell
- Work chairs with gas lift and castors.
- Optional 5 star, aluminium bases.
- 4 star, aluminium pyramid base with optional soft wheel castors.

Help your workplace take off

Rockit is our brand new lightweight and versatile rocking stool. It features an integrated gas lift, swivelling seat and a rounded, non-slip rocking base that means the user is in motion, stimulating core muscles for improved posture and wider health benefits.

The handy design makes it portable and easy to use at work surfaces of any height or in break spaces and cafeterias.

The Rockit structure comes in a choice of 3 colours whilst the deep cushioned seat top can be upholstered in any fabric you choose.

FEATURES

- Integrated gas lift.
- Variable seat heights between 530 – 760mm.
- Back, posture and wider health benefits.
- Light and portable.
- Swivelling seat.
- Rocking base provides constant movement.
- Non-slip base.
- 3 colour options available.

Contemporary comfort

Slim down with these stunning, lightweight stacking chairs and high stools.

Perfect for conference or meeting environments Vista provides pleasingly curved seats and backs covered in high quality foam, all the while maintaining a slender silhouette. But it doesn't compromise comfort for style. Built around a rigid, polypropylene shell, these are both strong and light making them just right to stand up to the demands of a high-use area. And Vista will last the distance too, making it extremely good when it comes to long term value. With a choice of seat heights, frame types and arm and tablet options, you can't go wrong with Vista.

NOTES

- We require minimum order of 3 chairs in any one leather colour from Category 7 fabric band.

FEATURES

- 11mm. dia. steel framework to EN10204.
- The standard finish for TuVee frames is chrome plate. Other non-standard colours available, minimum order quantity 5.
- Upholstered, polypropylene seat and back structure.
- Integral linking on VTA3.
- Removable, folding tablet on VTA3W.
- Upholstered, polypropylene seat and back structure.
- Stackable 5 high.

Ultra versatile; ultra durable

Opt for a contemporary all-rounder with Ultra, an elegant solution for bars, cafés, and collaborative spaces.

Ultra is a broad range of high and low backed stools and chairs. Available with robust metal frame or a choice of beech or black wood legs there are plenty of choices where Ultra is concerned. But the one thing that remains constant across the range is the robust laminated ply shells, shaped for comfort and upholstered with your choice of fabrics complete with pleasing stitch detail to add interest.

NOTES

- We require minimum order of 4 chairs or high back stools or 6 low back stools in any one leather colour from Category 7 fabric band.
- The standard steel frame colour for Ultra is Black.
- As an Environmentally friendly alternative to Chrome Plate we offer a Bright Chrome Epoxy finish.
- We also offer a selection of other frame colour options. See page 238.
- There is a minimum order quantity of 5 Ultra in bright chrome epoxy or other non-standard frame colour options. An order for less than 5 incurs an additional £20 set up cost.

FEATURES

- Rigid tubular, welded steel framework.
- All steel framed Ultra are stackable.

Acoustic control

Create multi-functional breakout areas to encourage flexible collaboration.

No need to find a free meeting room for an ad hoc get together with your team. The media wall with optional Power modules allows for easy mounting and connecting of VDU monitors. The wide choice of table and end panel heights means you can configure Channel to provide privacy and reduce noise disturbance as necessary.

NOTES

- The standard frame colour for Channel is Black.
- We offer a selection of other frame colour options. See page 238.
- Power module 1 (Power module with 13 amp socket and twin USB fast charge facility).
- Power module 2 (with 13 amp socket, twin USB fast charge & retractable HDMI lead).
- If units are ordered with optional cable port this will be positioned above Power module.

FEATURES

- Available in table or bar height.
- White laminate table tops.
- Self-supporting, tubular steel table frame for strength and rigidity.
- Upholstered panels in choice of 3 heights.

Stand out seating

TuVee likes to stand out. He's an attention seeker with a love for Shakespearean prose...actually we don't know about that, but he definitely loves to turn heads. And we wouldn't have him any other way.

Perfect for those looking to create bold, inspiring interiors, these vibrant stylish chairs are designed with a unique exposed hem and chevron patterning to create a fun look that doesn't take itself too seriously. From education environments to inviting breakout spaces, the TuVee range has you covered.

NOTES

- We require minimum order of 5 TuVee in any one leather colour from Category 7 fabric band.
- The standard arm and base colour for TV14 and TV14A is Black.
- We also offer a selection of other arm and base colour options. See page 238.
- There is a minimum order quantity of 5 TuVee with any non-standard base or arm colour options. An order for less than 5 incurs an additional £20 set up cost.

FEATURES

- Strong, flexible polypropylene shell.
- Stackable stools and side chairs.
- Striking, stitched 'V' motif.
- Pillow style upholstery.
- Work chairs with gas lift and optional aluminium bases.
- The standard finish for TuVee frames is chrome plate. Other non-standard colours available, minimum order quantity 5.
- Strong, tubular arms in chrome or black.
- Optional, soft feel arm cover.
- 4 star, aluminium pyramid base with optional soft wheel castors.

100% configurable; 100% recyclable

Give yourself options when you order these popular stacking chairs from our Tryo range.

Whether you choose tall chairs or standard height, upholstered or not, or you opt for a skid or more traditional four-legged frame, polypropylene dream Tryo will help you create bright, cheerful spaces. Choose from seven contemporary colours as well as matching or contrasting seat cushions to create the look you're after. Tested for strength and stability, you can safely stack 10 high (or 6 high if upholstered) – many more if you supplement with the clever Tryo trolley.

NOTES

When ordering Tryo with upholstery please remember to state the colour of plastic required.

FEATURES

- Stackable - 10 high, un-upholstered; 6 high, upholstered.
- Plastic seats & backs in 7 colours - red, blue, black, white, green, brown & grey.
- RH writing tablet available on Skid and Arm chairs.
- The standard finish for Tryo frames is chrome plate. Other non-standard colours available, minimum order quantity 5.
- Integral linking on TR1, TR11 & TR12.

Rap around

Relax in comfort with Hip Hop's contemporary wraparound style

Hip Hop is a multi-faceted family of chairs formed from a comforting, wraparound polypropylene shell. The wide choice of styles and bases mean that with Hip Hop you'll find the right solution for every requirement. From desk and bar stools, to swivel and height adjustable columns and side and armchair shells. Hip Hop can be upholstered or supplied with raw plastic shells.

NOTES

- We require minimum order of 3 Hip or 5 Hop in any one leather colour from Category 7 fabric band.
- The standard finish for HipHop steel frames is chrome plate.
- The standard base finish for HIP28 & HOP18 is polished aluminium.
- We also offer a selection of other arm, base and frame colour options. See page 238.
- There is a minimum order quantity of 5 Hip Hop with any non-standard base or arm colour options. An order for less than 5 incurs an additional £20 set up cost.

FEATURES

- HipHop models with arms (prefixed Hip) are available un-upholstered in 2 colours, Grey & White.
- HipHop without arms (prefixed Hop) are available un-upholstered in 9 colours, as shown below:

Plastic chairs reimaged

Envision an elegant take on the traditional polypropylene chair.

Wholly original and aesthetically appealing, Skeet's dipper shaped seat creates a comfortable polypropylene perch. Flexible but strong, Skeet is available in four pleasing pastel shades, with a choice of five different supporting structures including our popular skid frame. Mix and match standard height stackable seats and higher height chairs for interest and practicality.

FEATURES

- Beech wooden legs on SKT60.
- Steel frame colour is black. Other non-standard colours available, minimum order quantity 5.
- Available in 4 shell colours:

Stand out from the crowd

Catch attention with stackable plastic seating that's just a little bit different.

With its eye-catching, three-bladed motif, the durable polypropylene shell of Prop has a distinctive style that sets it apart from the usual styles of plastic shelled seating. And it's designed for comfort too with a flexible, shaped seat and choice of stable Chrome frame – either traditional 4-legged or a contemporary skid style. Choose from four cool colours to suit your interiors palette.

FEATURES

- Stackable 4 high.
- Chrome frame.
- Available in 4 shell colours:

Versatile Versit

Opt for stacking chairs that link together to save space and restrict movement.

Flexibility is key when space is tight and Versit offers it in spades. Set up rows of seats in a traditional arrangement or channel beam seating styles when you link them all together to maximise available space. Available in beech wood and one of five colours of plastic, you can create contemporary colour schemes to suit most settings.

NOTES

- The standard frame colour for Versit is Black.
- As an Environmentally friendly alternative to Chrome Plate we offer a Bright Chrome Epoxy finish.
- We also offer a selection of other frame colour options. See page 238.
- There is a minimum order quantity of 5 Versit in bright chrome epoxy or other non-standard frame colour option. An order for less than 5 incurs an additional £20 set up cost.
- Please state colour of plastic parts required when ordering chairs with upholstery.
- Arms are black plastic.
- Chairs with beech ply seats will have other plastic parts in black.

FEATURES

- Plastic seats and backs in choice of 5 colours - red, black, white, blue and grey
- Plastic Seats and backs can have upholstery pads
- Fold away linking.
- Beech ply, RH folding writing tablet.

The comfortable stackable chair

Furnish your multi-use space with upholstered stacking chairs.

Stackable chairs are a stalwart of many a school, conference centre or multi-use space thanks to their ease of movement and space-saving storage credentials. But very often they'll be made from plastic or wood, rendering them uncomfortable if used for a long period of time. Exceed your sitters' expectations with these robust, upholstered stacking chairs. The perfect answer to versatile seating arrangements.

NOTES

- We require minimum order of 3 chairs in any one leather colour from Category 7 fabric band.
- The standard frame colour for Exceed is Black.
- We also offer a selection of other frame colour options. See page 238.
- There is a minimum order quantity of 5 Exceed in any single frame colour option.
- There is a minimum order quantity of 5 Exceed in any non-standard frame colour option. An order for less than 5 incurs an additional £20 set up cost.

FEATURES

- Stackable 4 high (armchairs up to 3 high).
- Double curvature backs for extra comfort and support.

Space-saving; crowd pleasing

Exceed your visitors' expectations with stacking chairs that are comfortable and aesthetically pleasing.

Perfect for conference centres, community centres and multi-purpose spaces where versatility is a priority. The Exceed Plus range of stacking chairs offers robust seating that's easy to set up and pack away again. And they're designed for interest too. With a choice of two upholstery styles on epoxy polyester coated steel frames and with extravagant polished wood backs, Exceed Plus will help you create a versatile event space that wows.

NOTES

Simply indestructible

Put our indestructible seating to the test in healthcare and other heavy use settings.

With its rectangular welded steel frame, our Cyrus reception seating is built to withstand anything you care to throw at it (hence we include a 15-year frame warranty). But that doesn't mean your visitors won't find them comfortable. The deeply contoured seat and tapered back make Cyrus easy to sink down into, while the option of additional height in the frame and solid beech arms will help those who are less mobile to get up out of them again.

NOTES

- We require minimum order of 2 chairs in any one leather colour from Category 7 fabric band.
- The standard frame colour for Cyrus is Black.
- We also offer a selection of other frame colour options. See page 238.
- There is a minimum order quantity of 5 Cyrus in any non-standard frame colour option. An order for less than 5 incurs an additional £20 set up cost.

FEATURES

- Epoxy polyester frame coating.
- Oversized, rectangular steel tube.
- 15 year frame guarantee.
- Extra deep, contoured foam.
- Solid beech arms.
- White laminate table tops.

Built to withstand heavy use

Fulfil your obligation to provide safe seating for all.

Cyrus Bariatric is designed to sit seamlessly alongside our main Cyrus range, inviting larger visitors to take a seat. Tested and certified as load bearing up to 50 stone, the welded steel frame, 2mm wall tube, wide base and additional seat and arm support provide a reassuring sturdiness, while the deep contoured cushions ensure comfort. Popular in healthcare and care home settings, we're so sure it can stand up to anything we even offer a 15-year warranty on the frame.

NOTES

- We require minimum order of 2 chairs in any one leather colour from Category 7 fabric band.
- The standard frame colour for Cyrus Bariatric is Black.
- We also offer a selection of other frame colour options. See page 238.
- There is a minimum order quantity of 5 Cyrus Bariatric in any non-standard frame colour option. An order for less than 5 incurs an additional £20 set up cost.

FEATURES

- Epoxy polyester frame coating.
- Oversized, rectangular steel tube.
- 15 year frame guarantee.
- Extra deep, contoured foam.
- Tested to BS EN 16139:2013 - test level 2 & BS EN 1728:2012 for loads up to 50 stone (317.5kg).
- Solid beech arms.
- Additional frame height option as a mobility aid.

Natural beauty

There's just something about highly polished wood, it's so tactile and organic. And it's this natural beauty that defines our Westwood range of lounge, meeting, conferencing and reception chairs. But to add something special we've chosen to apply an anti-bacterial lacquer that kills 99.9% of most bacteria over a 24-hour period on the beech wood frames. Meaning Westwood will work even harder for you.

NOTES

- We require minimum order of 2 chairs in any one leather colour from Category 7 fabric band.

FEATURES

- Polished beech laminate frames on W10 & W11 stacking chairs.
- Reception chairs have solid beech frames with mortise and tenon joints.
- Frames are coated in anti-bacterial lacquer. BS6250 standard for severe use, having FDA and HSE approval for indirect or incidental food contact and found to kill 99.9% of most bacteria over a 24 hour period - salmonella, listeria, e.coli and mrsa.

Long-lasting value to stretch the budget further

Make the most of your furniture budget with Radstock, a long-standing favourite in education and health care thanks to its great value and 15-year frame guarantee.

But it's not just durable. The deep padded cushions ensure high levels of comfort too, whilst the optional extra height frames are an aid to the less mobile. Other choices to make include multiple frame colour options, high backs, twin seats or right handed, white laminate writing tablets. Whichever you choose you can be sure these will be just perfect for common rooms, classrooms and even waiting rooms.

NOTES

- The standard frame colour for Radstock is Black.
- We also offer a selection of other frame colour options. See page 238.
- There is a minimum order quantity of 5 Radstock in any non-standard frame colour option. An order for less than 5 incurs an additional £20 set up cost.

FEATURES

- R1 & R2 stackable 4 high.
- Epoxy polyester frame coating.
- 15 year frame guarantee.
- Writing tablets are removable.
- Black PU arms on R2 armchair.

Great value for your education, healthcare and other commercial settings

Take a leaf out of the books of education environments and healthcare settings up and down the country.

Salford 19 is a popular choice thanks to its compact footprint, clean lines and robust versatility. And with a great choice of colours you can create bright, inspiring aesthetic too. The number 19 in the name is derived from the 19mm square tube frame with either black, bright chrome or coloured epoxy polyester frame coating, a sturdy no nonsense construct on which we offer a 15-year structural guarantee. The Salford range offers stackable chairs, armchairs or bar height stools.

NOTES

- The standard frame colour for Salford 19 is Black.
- We also offer a selection of other frame colour options. See page 238.
- There is a minimum order quantity of 5 Salford 19 in any non-standard frame colour option. An order for less than 5 incurs an additional £20 set up cost.

FEATURES

- Stackable (excluding models C1 & C2).
- Epoxy polyester frame coating.
- 19mm square tube frame.
- 15 year frame guarantee.
- White laminate writing tablet.
- Writing tablet is removable.
- Solid beech or optional upholstered arms.

Guaranteed to last

Similar to the Saltford 19, but with a chunky 25mm square tube frame, Saltford 25 is robust and hard-wearing - perfect for education settings or in well-used conference environments. This one includes 3, low level chairs ideal for use in reception, waiting or common rooms. Add white laminate writing tablets and polished beech or upholstered arms as required.

NOTES

- The standard frame colour for Saltford 25 is Black.
- We also offer a selection of other frame colour options. See page 238.
- There is a minimum order quantity of 5 Saltford 25 in any non-standard frame colour option. An order for less than 5 incurs an additional £20 set up cost.

FEATURES

- S15 & S15AS stackable 4 high.
- Epoxy polyester frame coating.
- 25mm square tube frame.
- 15 year frame guarantee.
- White laminate writing tablet.
- Writing tablet is removable.
- Solid beech or optional upholstered arms.

Natural beauty

Marvel at the strength of our little Buggs.

Featuring a hard-working steel chassis as the basis for this design, Bugg fuses industrial aesthetics and strength with the natural beauty of elegantly shaped wood. And all in order to create a characterful and comfortable bistro chair. Celebrate polished ash veneer seats and backs for simple style or add deep foamed cushions for comfort and colours that will complement your interiors scheme.

NOTES

- We require minimum order of 6 chairs in any one leather colour from Category 7 fabric band.
- The standard leg colour for Bugg is polished natural wood. Black is a no cost option.
- The standard steel frame colour for Bugg is White.
- We also offer a selection of other frame colour options. See page 238.
- There is a minimum order quantity of 5 Bugg with any non-standard frame colour option except black. An order for less than 5 incurs an additional £20 set up cost.

FEATURES

- Chunky, tapered solid wood legs finished in black or polished natural wood.
- Sturdy steel underframe finished in white.
- Thick, Ash veneer faced seat and back.

Stools remastered

Ditch the backs and smash it in the style stakes with stools from this range of Gems.

From upholstered benches with steel frames to beech coloured wooden stools, our Gem collection features colourful details that will put a smile on everyone's faces. Choose from desk height or bar height in a variety of finishes and you can even add a distinctive radiused edge that can be further enhanced with additional piping. And you'll notice buttons feature pretty prominently too.

NOTES

- We require minimum order of 10 stools or 4 benches in any one leather colour from Category 7 fabric band.
- If the Piping and / or Button options are required in a contrasting fabric from Category 1 to 6, we require a minimum order of 5 stools or benches, unless we have the chosen fabric within our surplus stock. Please call our sales team for guidance. If the Piping and / or Button options are required in a contrasting leather from Category 7 then ask our sales team for guidance.
- The standard, steel frame colour for Gem is Black.
- As an Environmentally friendly alternative to Chrome Plate we offer a Bright Chrome Epoxy finish.
- We also offer a selection of other frame colour options. See page 238.
- There is a minimum order quantity of 5 Gem in bright chrome epoxy or any other non-standard frame colour option. An order for less than 5 incurs an additional £20 set up cost.
- Tubular steel, stool frames guaranteed for 15 years.

Mass seating made easy

Make light work of your conference and event preparations with lightweight stacking chairs from the Gloucester range.

Available with chrome plated frames or a choice of 16, epoxy polyester colours and with or without arms, the Gloucester range is a versatile solution for multi-use spaces. Choose from classic or lozenge-shaped backs, add practical touches with writing tablets or opt for a sleek cantilever frame to inject classic style into your temporary meeting spaces. Light in weight and easy to set up and break down, Gloucester is a flexible favourite.

NOTES

- The standard frame colour for Gloucester is Black.
- As an Environmentally friendly alternative to Chrome Plate we offer a Bright Chrome Epoxy finish.
- We also offer a selection of other frame colour options. See page 238.
- There is a minimum order quantity of 5 Gloucester in bright chrome epoxy or any other non-standard frame colour option. An order for less than 5 incurs an additional £20 set up cost.

FEATURES

- Optional castors available.
- Stackable 4 high.

Modius

100% stackable, 100% recyclable

Overcome storage issues with Modius high density stacking chairs. Complement with Modius gas lifting and swivelling IT chairs. Whether you are furnishing a school canteen, IT suite or conference room, Modius will make things easy. Even better that Modius polypropylene seats and backs are manufactured from recycled material and the complete chairs are 100% recyclable at their end of life. Modius chairs are available with seats and backs in 5 shades of plastic or alternatively the seats can be upholstered. The skid framed Modius can have an optional writing tablet fitted, left or right handed.

FEATURES

- 12mm dia. high tensile steel frame.
- Chrome frame finish.
- Integral linking.
- Tested to EN 16139:2013, level 2.
- 100% recyclable with appropriate choice of fabric.
- Seat and back structure moulded from recycled material.
- Available with upholstered seat.
- Stackable, un-upholstered 10 high or 32 high on trolley.
- Stackable, upholstered 6 high or 20 high on trolley.
- Optional left or right handed, folding writing tablet for skid framed Modius (prohibits stacking).
- Upholstered Modius has spacer to avoid seat compression when stacked.

React

...quickly when you have visitors

Be ready for any event with React, our stylish take on the classic stacking chair.

Versatile, durable and even wipeable if necessary, React gives you options when you need them most. A popular choice in the hospitality and education sectors, these striking stacking chairs with modern skid frames and an unusual back pattern, can be piled high out of the way – up to 28 high if you use the custom trolley – and easily set up when you need to house an audience or large group. Choose from padded seat and back cushions, optional arms or writing tablets to make them your own.

FEATURES

- Stackable without writing tablet - 10 high un-upholstered or 6 high upholstered.
- Silver frame.
- Integral linking on non-arm chairs.
- Tested to BS EN13761.

Eat and meet. Bistro Style

Get customer-ready when you choose Athena, our range of bistro and cafe style stacking chairs. Perfectly designed with eating spaces and breakout areas in mind, Athena has versatility and practicality at its core. Lightweight for easy repositioning when the masses descend, and stackable for easy storage when it's time to make space for a dance floor. Choose contemporary designs in maple, wenge, and chrome for indoors or hard-wearing aluminium for outside spaces.

FEATURES

- All chairs stackable except AT3.
- Chrome frames on all ply shelled chairs.
- Fully welded, aluminium frames on AT30, 31 & 32.

Easy to use, hard to break

Designed specifically for the education sector, the Skolar range of seating offers durable, key price essentials for common areas, IT rooms and flexible spaces in schools and colleges. Put simply, Skolar is great value for money. From IT swivel chairs with no removable parts to stacking chairs that have been tested to 200kg, we've truly thought of everything. And with benches completing the range you'll have everything you need to piece together a seating plan for most education settings.

NOTES

- The standard frame colour for Skolar is Black.
- As an Environmentally friendly alternative to Chrome Plate we offer a Bright Chrome Epoxy finish.
- We also offer a selection of other frame colour options. See page 238.
- There is a minimum order quantity of 5 Skolar in bright chrome epoxy or any other non-standard frame colour option. An order for less than 5 incurs an additional £20 set up cost.

FEATURES

- Student swivel chair with fixed backs, gas lifts and no removable parts.
- SK10, heavy duty, stackable classroom, lecture theatre or conference room chair. 15 year frame guarantee.
- SK10 tested to BS EN15373 and suitable for use by persons up to 200kg.
- Rotating, folding and removable writing tablet.
- Dual locating, rigid steel linking.

Space-saving seating

Turn to beautiful beam seating when space is tight.

For some, beam seating is reminiscent of a bus shelter, but for us there's beauty in these designs. Beam boasts a heavy gauge tube with welded joints for strength and a 15 year frame guarantee for peace of mind, as well as T-shaped legs with holes for floor fixing. But while safety and longevity are important, we know it's not all about that. In this range you'll find fully upholstered, ergonomically shaped seats and backs occupying up to five positions along a beam, with tables fitted in place and arms in between, wherever you wish.

NOTES

- The standard frame colour for Beam is Black.
- We offer a selection of other frame colour options. See page 238.

FEATURES

- Epoxy polyester frame coating.
- Heavy gauge tube with fully welded joints.
- Ergonomically shaped, fully upholstered seats and backs.
- 15 year frame guarantee.
- Soft, P.U. arm pads.

Versatile multi-purpose beam seating

Upholster for comfort and design purposes or leave plain for easy cleaning.

With a choice of coloured plastic or polished beech ply seats including upholstered cushions if you wish, you'll have plenty of choices when it comes to planning your Versit Beam. And with up to five seats, any of which can be replaced with a table, you'll soon discover this is the perfect solution when it comes to furnishing a smaller waiting room or waiting area. Heavy gauge tubes with welded joints and our 15-year frame guarantee mean this one will stand the test of time too.

NOTES

- The standard frame colour for Versit Beam is black.
- We also offer a selection of other frame colour options. See page 238.
- Please state colour of plastic parts required when ordering chairs with upholstery
- Chairs with beech ply seats will have other plastic parts in black

FEATURES

- Plastic seats and backs in choice of 5 colours-red, black, white, blue and grey.
- Plastic Seats and backs can have upholstery pads.
- Polished ply seats and backs.
- Fully welded, heavy gauge steel beam.

Exceed Plus Beam

Beam seating with upholstery options

Upholster your beam seating for comfort and style.

With five seating positions, any of which can be replaced by a table and supplemented with arms, Exceed Plus Beam offers classic beam seating with plenty of choices attached.

Reject upholstery altogether or choose from three styles to create a look which perfectly suits your reception or waiting area. And rest assured this beam seating range can stand up to anything thanks to its welded frame, guaranteed for 15 years.

NOTES

- We require minimum order of 3 EXP10 or EXP11 seats places or 6 EXP12 seat places in any one colour from Category 7 fabric band.
- The standard frame colour for Exceed Plus is Black.
- We also offer a selection of other frame colour options. See page 238.

FEATURES

- Anatomically curved, moulded ply seat shells.
- Polished beech veneer faces.
- Heavy gauge, tubular steel beam structure.
- 15 year structural frame guarantee.
- White laminate table tops.
- Soft PU arm pads.

COLLECTION DETAIL

Brake Loaded Castors

Brake loaded castors in place of standard castors (per set of 5) £39

Soft Wheeled Castors

Soft wheel castors in place of standard castors (per set of 5) £21

Glides

Glides in place of standard castors FOC

Draughtsman Base

Draughtsman base, footring and gas lift in place of standard base and gas lift. We do not recommend the fitment of draughtsman base to any swivel chair that has a Synchro or Operator Plus mechanism £60

High Gas Lift

Draughtsman gas lift (380mm casing) in place of standard gas lift. We recommend the use of base with glides, not castors, in combination with this gas lift. We do not recommend the fitment of draughtsman gas lift to any swivel chair that has a Synchro or Operator Plus mechanism £29

Mid. Height Gas Lift

Mid. height gas lift (290mm casing) in place of standard gas lift £27

We know a thing or two about seating*

* We've been making furniture for 40 years and we're proud of the passion and enthusiasm that goes into every piece.

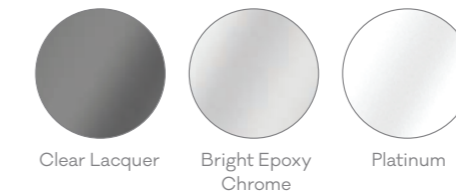

Steel Frame Colour Options

We have over 40 years' experience in manufacturing and finishing tubular steel furniture frames. We have a comprehensively equipped tube bending and welding facility and adjacent to this, a state of the art, epoxy powder coating plant. These combined assets bring lots of competitive benefits – bespoke frame variations, short lead times, multiple finish options.

The epoxy finishes shown here are available across a large proportion of our steel framed furniture ranges. In addition to these stock colours we can offer a colour matching service. The price for this is on application.

We also offer a Chrome Plate option on many products. The negative environmental impact of chromic acid and other aspects of the plating process make it one which we want to influence our customers to see as not only an undesirable choice but also unnecessary. We believe we can do this by offering a cost saving but aesthetically credible alternative. Our Bright Chrome Epoxy is a powder coating with a mirror bright finish that, seen in isolation is very hard to distinguish from chrome plate. Its visual appeal is equal to that of chromium plate.

Heavy-duty, Precision Engineered Mechanisms

The appearance of the mechanism is representative only and may differ slightly according to mechanism type.

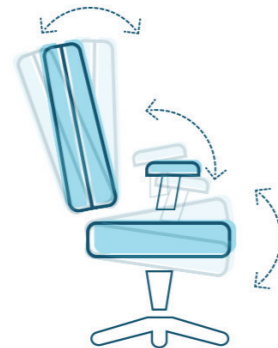

Operator

This mechanism has lever-operated, back angle adjustment that can be locked in any position or left unlocked to follow the user's movement in dynamic free float mode.

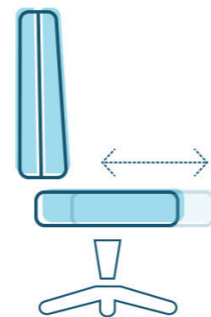

Operator Plus

Similar to the Operator mechanism but with additional lever-activated seat tilt adjustment. Where indicated, most Operator Plus mechanisms also include tension control to adjust for variation in user weight.

Operator Synchro

Back and seat recline together in a 2:1 ratio, can be locked in position or left in free-float mode to follow the user's dynamic movement. These chairs also have adjustable tension control.

Synchro Plus

Combining the smooth operation of a synchronised mechanism, with the breadth of adjustability of an Operator Plus mechanism; the back angle can be adjusted independently of the synchronised seat and back recline.

Body Balance Synchro

Back and seat recline in a 3:1 ratio. They can be locked in position or left in free-float mode to follow the user's dynamic movement. The mechanism automatically adjusts to body weight for individually tailored support.

Seat Slider

A seat slider allows the horizontal adjustment of the seat, offering increased leg support when required. This function is beneficial when the chair is used by multiple users, to accommodate differing seat depth requirements.

Power Modules

As workspace culture evolves the need to facilitate the seamless use of mobile devices within our furniture is an absolute given. Connections for power, charging and presentations, unobtrusively and conveniently positioned, enable individuals or groups to find comfortable, private or communal places to work. To this end, throughout a number of our ranges we offer optional Power Modules. As befits the quality of our furniture, the Power Modules we offer come from the recognised leaders in this field. UK company, OE Electrics are experts in designing and manufacturing power and data distribution solutions. They have been designing their own products in the UK for over 30 years. Their products can be found all over the world in call centres, cafés, hotels, airports, shopping centres, banks and offices.

We offer from stock, 3 elegantly designed, OE Electrics' Power Modules. Each Module is connected to a detachable, 3m trailing mains lead and 13 amp, 3 pin plug. If you have a Power Module requirement not met by our stock offering then please speak to us and we will endeavour to find a bespoke solution.

NOTES ABOUT POWER MODULES

- Power Module 1, when ordered in a seating unit, will be positioned on the lower left-hand side, front seat face, as seated, unless otherwise requested.
- Underseat Power Module 1, will be positioned below the front edge of the seat, on the left-hand side, as seated, unless otherwise requested.

NOTE ABOUT MEDIA UNITS

- VDU screens and screen mounting brackets: We do not supply or fit VDU screens or screen mounting brackets. The front panel of our media units is constructed from a 9mm, ply board. This facilitates the easy and secure fixing of a screen mounting bracket by the use of suitably sized, self-tapping wood screws. To avoid snagging the fabric we recommend that the hole positions are marked and then a small cut is made in the fabric before the screw is driven in.

Power Module 1

This Module is an OE Pixel, 80mm diameter unit that is flush mounted within the upholstered face of a seating or media unit. It provides a standard, fused, UK 13 amp power socket plus 2 USB fast charging sockets, a type-A, providing 2.5Amps and a type-C, 3 amps.

Power Module 2

This Module is an OE Pixel, 80mm diameter unit that is flush mounted within the upholstered face of a media unit. It provides a standard, fused, UK 13 amp power socket plus 2 USB fast charging sockets, a type-A, providing 2.5Amps and a type-C, 3 amps. In addition it has a retractable HDMI lead that feeds through the Module, internally up through the media unit and back out through an 80mm cable grommet, positioned centrally on the media panel. The customer can use this to connect directly into a VDU screen.

Underseat Power Module 1

This Module is an OE Phase, surface mounted unit contained within an elegant, white plastic casing. We offer this unit for use on seating products where the design does not allow for the flush mounting and internal accommodation of a Power Module and its cables. Phase provides a standard, fused, UK 13 amp power socket plus 2 USB fast charging sockets, exactly as the Pixel, Power Module 1.

Fabric Categories

Fabric Guarantees and Suitability

All of the fabrics we use are covered by their manufacturers' guarantees provided they are cared for in line with the manufacturers' guidance. Choosing the best fabrics for Soft Seating and tailored (non glued) Task Seating products can greatly enhance its appearance. Due to the high polyester content of these (*) fabrics the manufacturer will not guarantee the ongoing aesthetic appearance with respect to puckering of stitched seams and bagging or puddling in the seat that can occur when used to upholster soft seating products or tailored task seating products. Similar aesthetic characteristics can occur with use of PVC, Faux leather and leather coverings. For further guidance please speak to our sales team.

Minimum Quantities

Minimum quantities apply when ordering products in these (†) printed fabrics. Please speak to our sales team for guidance.

Guarantees

All of our chairs come with a 5 year structural guarantee, excluding fair wear and tear, and damage or failure caused by misuse. The tubular steel frames on the MeMe, Ultra, Saltford 19 & 25, Radstock, Cyrus, Cyrus Bariatric, Beam, Exceed Plus Beam, Gem (stools only) and Versit Beam ranges and on the Skolar SK10, SK10A and SK10W chairs (excluding tablet) are structurally guaranteed for 15 years. The guarantee applies for use up to 8 hours a day by users up to 150kg. All exceptions to that standard, are listed in the table below:

Any chair that requires repair under the terms of our guarantee will be collected from and returned to the supplying dealer on our next available transport.

Product Range or Chair	Limits to intensity of use and user weight to maintain warranty cover
Posturemax, Posturemax Cool and Ergonomic Task 24	24/hour per day use by users up to 150Kg in weight.

Scoot	8 hour per day use by users up to 110kg in weight.
Skeet	8 hour per day use by users up to 110kg in weight.
Gem wooden leg stools	8 hour per day use by users up to 110kg in weight.

Fabric, Leather, Wood & Foam

While we take every care to accurately represent the colours of the fabrics in this price guide, the printing process can sometimes alter the colour depiction so we'd always recommend ordering a sample before making a fabric choice. Leather and wood naturally exhibit grain and colour variations. It's part of their charm as organic materials, adding personality and character to our pieces.

We use Combustion Modified, High Resilient foam in all of our products for comfort, durability and to meet fire safety legislation.

Sample Chairs

We're always delighted to send sample chairs to demonstrate the comfort and craftsmanship we're so proud of. Samples are invoiced on delivery and a credit note issued when the chair is returned in the same condition within 15 working days.

Gas Lifts

All of the swivel chairs in this guide are fitted with a gas lift for easy height adjustment. These are suitable for people up to 150kg in weight. The gas lifts fitted to the Posturemax 200 range chairs are suitable for users up to 200kg.

Ordering

To give accuracy a sporting chance, we only accept written orders. We'll acknowledge the order as soon as possible and request you check the acknowledgement thoroughly to ensure we've accurately interpreted your requirements. If not, please contact us immediately, as we usually start cutting within a day of receiving an order. Alterations or cancellations beyond 24 hours of receipt of order, will incur a charge.

This guide has an image for each product along with a unique product code to ensure you know what you are ordering. Please be aware, some products are pictured with non-standard specification but where this is the case, it is indicated.

The appearance of the mechanisms on swivel chairs, pictured within this guide, are representative only and may differ slightly depending on the type of mechanism required.

Options for each chair are listed with the chair in the guide and if any are required, please make that clear on your order.

Deliveries

Prices in this guide include delivery to our nationwide dealer network subject to a minimum net invoice value of £250. On request, we can undertake tail gate only deliveries to your customer's premises. We will work out the most cost-effective way to do this for you based on our regular delivery routes.

VAT & Measurements

All prices are in Pounds Sterling and subject to VAT at the prevailing rate. All measurements are in millimetres and are approximate. They can vary due to option specification.

Terms and Conditions

1. For the purposes of these Conditions the term "the Company" shall mean Summit Chairs Limited, the term "the Goods" shall mean such chairs or other goods as are manufactured and sold by the Company and the term "the Buyer" shall mean the purchaser of the goods.

2. These Conditions apply to all business transactions between the Company and the Buyer and shall be the sole contractual basis of any sale agreement between them.

3. Orders are accepted subject only to these Conditions of Sale and to the exclusion of all other terms and conditions including any terms or conditions which may purport to apply under any purchase order, confirmation of order or similar document. Any variation to these Conditions (including any special conditions agreed between the parties) shall be inapplicable and of no effect whatever unless agreed in writing by the Company.

4. The price of the goods shall be the Company's published price at the date of invoice and VAT shall be due thereon at the rate ruling on that same date.

5. Payment by the Buyer shall be made to the Company by the 20th day of the month that follows the date of the invoice and time for payment shall be of the essence. The Company shall charge interest on invoices that shall become overdue to be paid by the Buyer from day to day until the date of payment at a rate of 2% above HSBC plc's base rate from time to time in force and shall accrue at such rate after as well as before any judgement.

6. All terms and conditions and warranties (whether implied or made expressly) whether by the Company or its servants or agents or otherwise (other than those express warranties set out in the current edition of the Company's specification) relating to the quality and/or fitness for purpose of the goods or any of the goods are excluded.

7. The Goods shall be manufactured and supplied in accordance with the description contained within the Company's specification and manufactured in accordance with all applicable British Standards which relate specifically to the goods.

8. The Company may from time to time make changes in the specification of the goods as may be necessary such as to comply with any applicable or statutory

requirements or which do not materially affect the quality or fitness for purpose of the goods.

9. The Company shall deliver the goods to an address and during a day (within normal working hours) agreed with the Buyer. In the event that the Buyer is unable to accept such delivery the Company shall have the right to charge to and recover from the Buyer all costs incurred in connection there with as if the same were a debt.

10. The Buyer shall take delivery of the goods tendered by the Company notwithstanding that the quantity so delivered shall be less than the quantity purchased provided that such discrepancy in quantity shall not exceed 40% and in which event the price shall be adjusted pro rata to the discrepancy.

11. The Buyer is under obligation to inspect the goods upon receipt and shall notify the Company of any damage to the goods within three days thereof.

12. The Company shall be under no liability whatever to the Buyer for any indirect loss and/or expense (including loss of profit) suffered by the Buyer arising out of a breach by the Company of any sale agreement. In the event of any such breach by the Company the remedies of the Buyer shall be limited to damages. Under no circumstances shall the liability of the Company exceed the price of the Goods.

13. In spite of delivery having been made property in the goods shall not pass to the Buyer until the Buyer shall have paid to the Company the price plus VAT in full and no other sums whatever shall be due from the Buyer to the Company. The Buyer holds the goods in a fiduciary capacity as bailee for the Company. The Buyer agrees to keep apart and separately to identify (as belonging to the Company) all goods owned by the Company in its possession. The Company reserves the right of disposal of any of its property and shall be at liberty to retake possession of the same or any part thereof and for that purpose enter into any premises of the Buyer until the goods delivered to the Buyer by the Company have been paid for in full. The Buyer is authorised to sell or to use the goods as a bailee of the Company. If the goods or any part thereof are sold then if the property in the goods is within the Company pursuant to these terms property shall pass from the Company to the new buyer. In the event that the Buyer receives from any person payment

in respect of the goods or any part thereof the Buyer shall receive and hold such monies on behalf of the Company and keep them separate and apart until the Company has been paid in full for the goods comprised in any agreement between the Company and the Buyer.

14. The Buyer shall insure and keep insured the goods to the full price against "all risks" to the reasonable satisfaction of the Company until the date that property in the goods passes from the Company. If the Buyer fails so to do and without prejudice to the other rights of the Company all sums whatever owing to the Company by the Buyer shall forthwith become due and payable.

15. Any sale agreement between the Company and the Buyer may be subject to cancellation by the Company by reason of an Act of God, force majeure or other cause beyond the control of the Company.

16. The Company guarantees that the goods are fit for the purpose for which they are intended and further guarantees the goods to be free from defects in materials and workmanship for a period of five years for structural parts under normal, 8 hour per day use excepting fair wear and tear and damage or malfunction caused by misuse. User weight limits and some exceptions to hours of use apply. These limits and exceptions are set out within the Guarantee section of our current Retail Price list. The Company undertakes to repair the goods or any part thereof which proves to be defective under normal conditions of use. Any chairs requiring repair within the guarantee period will be collected from and returned to the Buyer on our next available transport.

17. All goods sold in retail packaging may be resold by the Buyer in the packaging supplied by the Company and in no case may any trade mark other than those applied by the Company be marked on or applied in relation to the goods without prior agreement of the company. No right or licence is granted under any sale agreement to the Buyer under any patent, trade mark, copyright, design right or other intellectual property right except the right to use or resell the goods.

18. Any sale agreement between the Company and the Buyer shall be subject to the laws of England and Wales and all disputes arising out of such sale agreements shall be subject to the jurisdiction of the courts of England and Wales.
